Address: **leavenworth**
Price: **5.00 \$**

Hi! Looking for a great extracurricular activity for after school? I am the instructor for the Leavenworth Parks and Rec department Parkour class. Starting September 5th, the class will be updated with new times and days and is only \$5 per class! I have 2 regular students and we're always looking for more to join us! There's no bar to entry - just show up and start learning some simple basics. Minimum age requirement is 12 years old. Find more information in the Leavenworth Fall Activity Guide or inquire within the Riverfront Community Center. Hope to see you there!
